Memo.

Letter No. 10 Dated 28th. May 1892, from the District Munsiff Officer, Kadur District received through the Dy Commissioner of the District on the subject of a petition presented by the Priest of Havikarpur Matt.

The Havikarpur Matt in the Koppa Taluk of the Kadur District was presided over by a Guru called Abhinava Sachidananda Saraswati Swami Owing to his youth, he was unable to manage the affairs of the Matt and was indebted to one Shiva-bhatta in the sum of Rs 3000/- and to others about Rs 1500/- He therefore on the 8th. August 1885, constituted the said Shiva-bhatta as the sole manager of the affairs of the Matt for a period of 20 years and conveyed to him under a registered mortgage deed all the movable and immoveable properties a

of the Matt for a like period of 20 years. The conditions of the mortgage instrument are as follows: —

(1) He should enjoy the produce of all the lands, paying the Government kandayam and jodi and should take the necessary steps to get the lands cultivated and kept in a good condition. He may give up useless land by Rajinamah to Sirkari.

(2) Should receive all kinds of kanikes both in kind and cash payable to the Matt by the disciples; adjudge questions of excommunications and receive fees and fines.

(3) Should clear the debts of the Matt - Viz Rs 3000/- payable to himself under decrees against the Matt and Rs 1500/- payable to others.

(4) Should defray the expenses of the daily and periodical services and ceremonies of the Matt.

(5) Should take measures for the education of the Guru

(6) Should repair the Matt

(7) Should keep accounts and render them once a year.

(8) Should keep all the moveable articles and jewels in his custody.

(9) May appoint and dismiss Servants.

(10) Profit or loss within the term of 20 years to be his and Guru's fresh debts are not to be binding on him.

(11) The Guru should not demand restoration of the properties within the fixed term but Shingabhatta may of his own accord resign the management at any time

giving
rendering back to the Matt
all the properties and leaving
the Matt building in good repair.

2 The mortgage term
had hardly run 5 years, ere
the Swami breathed his last.
The present Swami was
elected Guru on the 21st April '90.
On the 22nd April 1890, Shinga-
-bhatta who was then under-
-going a sentence of imprisonment
in the Shimoga jail, tendered
a Rajinamah to the Amildar
of Koppa Taluk in the following
terms: ——

"I managed the affairs
of the Matt but owing to my
misfortune I am now in jail.
My Sons are young and there
is nobody to carry on the
services in the Matt. I have
therefore on this day given up
to the Sirkar all the properties
mortgaged to me. Hereafter

I have no right in them. The moveable properties of the Matt were in the possession of the Guru. He has now died. There are no other Hakdars. The Sirkar may put anybody they like in possession of these properties. From this day all the properties of the Matt are of the Sirkar. I have no hak over them. The Sirkar may give them over to anybody."

Apparently he has relinquished all connection with the Matt property, yet he has not restored possession of the lands and he is not disposed to do so until and unless his debt is cleared.

4 The Matt Shanbougue received an intimation from Krishna Batt, Shingabhatt's son that he should not spend a single pie on account of the Matt

a . All the Servants of the . Matt
h have also been recalled.

5 The Amildar sent
up the Rasinamah to the
District Muksai Officer who
in his detailed report (put
up herewith) recommends
the appointment of a Punchayet
for the settlement of the dis-
-pute between the parties and
also recommends that the
management of the . Matt
be taken over by the Government
as the present Guru is an
inexperienced youth.

6 Shingabhatt has paid
nothing to the . Matt from the
6th . April 1890 . Meanwhile
the Guru who has been elected
is unable to extricate himself
from his present helpless plight.
He has no money with him and
has hardly a servant left
Some of the tenants to ask to

Whom they should pay the rent to the Matt or to Shungabhatt.

7. There is a mutual recrimination going on between the present priest and Shungabhatt as to the custody and the exact whereabouts of the moveable properties belonging to the Matt.

8 As to the immoveable property, the Havichar pur Matt has Inam lands assessed at Rs 227-8-0 and Sirkar lands assessed at Rs 1577-12-0 Both the descriptions of land have been included in the mortgage deed Shungabhatt apparently thinks he has a lien on the whole land till the claim he puts forth is satisfied.

C.N.

It will not be advisable to appoint a Panchayat as

there are several complicated questions which can only be dealt with by a competent Civil Court. But under clause B of the Government Notification dated 17th November 1877, I would recommend the cancelment of the alienation so far as the Inam lands are concerned and instruct the Deputy Commissioner to issue notice to Singabhatta to restore possession of those lands to the Matt within 6 months of the date of the service of the notice and on his failure to do so to summarily resume and restore them to the Matt.

This may be done

The D. Commr. reported that on the night of 8th Sept. 1895, the Swami of the Matt left it without anybody's knowledge leaving behind him a letter to the Amildar stating that he was going on a pilgrimage to Northern India. The D. Commr. had issued orders to the Amildar to take steps for the due performance of Puja services in the Matt & the safe custody of the Matt's properties during the Swami's absence. This was approved by Govt.

Subsequently, the Swami of the Matt in a petn. of 26th May 1898 complained of non-payment of salaries to the Matt's Servants and requested that the management might be withdrawn from Govt

been called for, the Dy Comm^r in his letter No. 317 dy 18th Dec^r 1903, states that a majority of the disciples of the matt are in favor of restoring the management to the Swami while one or two influential members are ~~in~~ anxious that the matt buildings should be first repaired before the management is handed back to the Swami. The Jamabandy for 1902½-1903 of the inam & Kandayam lands of the matt is stated to be Rs 1972-5-5; and, at the end of Nov^r 1903 the amount at the credit of the matt is stated to be Rs 1082-4-10. The Dy Comm^r who inspected the matt is of opinion that about 4 or 5 thousand rupees are required for repairs. The Swami is stated to be also anxious

to repair the matt & the Dy
Comm.r states that if the Swami
contributes liberally, the amount
now in the hands of Govt. at
the credit of the matt might
be given for the purpose.

As regards the restoration
of the management to the Swami,
the Dy Comm.r states that he (the Swami)
has not cultivated business
habits & that he is merely
a puppet in the hands of some
irresponsible matt peraons.
The Dy Comm.r is of opinion that
the Swami shd be advised
to return to Haricharpur, make
himself acquainted with the
assets of the matt & the manner
in which they are managed, attend
to the repairs of the matt building
& by actual residence at Haricharpur,

Muzrai Supt. Comm. Office.
Kadur District.
Shikarpur, 28th May 1892

The Muzrai Superintendent
of Mysore
Bangalore.

Sir,

1 With reference to your Circular No. 1 of 11th March 92 forwarding for enquiry and report a petition from Swayam Prakasa Rama-nanda Sarasvati Swami, Guru of the Kavihanpur Mutt, I have the honor to submit the following report.

2 Similar petitions had been addressed to the Supt. Comm. and the matter complained of had been under enquiry and correspondence for some months between the District Muzrai Supt. and the Amildar of Koppa. — When lately I had to go to Koppa Taluk I inspected the Mutt, saw the Guru became acquainted with the state of affairs. The Guru is really in a very helpless, forlorn condition

3 He is the Guru of a Sub-division of Smarta Brahmans cla

called Sivalli Brahmans. They are people of about 550 homesteads most of which ... . are situated in the Koppa Taluk and a few in the neighbouring Tirthahalli Taluk of the Shimoga District. They are very good Surpari Gardeners and some of them are very influential Malnad Savakars and large land holders. They claim religious equality with the Smarta Brahmans belonging to the Sringeri Mutt and have their own Purohits and priest. They intermarry in their own circle as many other branches of the Smartha and other sects of Brahmans do but they dine with the other Smartas.

4 Kintegadu Shringabhatta a Gurush whom the Guru Complains is one of the most influential landholders and Sahukars in the Koppa Taluk. He is a Sivally Brahman & is a disciple of the Harihar pur Mutt.

5 The previous Guru of the Mutt was Abhinava Sachchidananda Saraswati Swami and was an inexperienced youth. On 8th August 1885 as per Registered document he mortgaged the whole of the moveable and immoveable properties of the Mutt to Kintagadu Shringabhatta for 20 years and constituted him the manager of the Mutt for that pe—

period under the following conditions.

(1.) He should enjoy the produce of all the lands, paying the Govt. Kandayam and Jodi & should take the necessary steps to get the lands cultivated and kept in a good condition. He may give up useless lands by Razinama to Sirkar.——

(2.) Should receive all kinds of Kanikes both in kind and cash payable to the mutt by the disciples; adjudge questions of excommunication &c and receive the fees and fines.

(3.) Should clear the debts of the mutt Viz: (1.) ~~Rs~~ 3,000/- payable to himself under Civil Court decree obtained by him against the mutt; and (2.) ~~Rs~~ 1,500/- payable to others.——

(4.) Should defray the expenses of the daily and periodical services, and ceremonies of the mutt as specified in the document and get them performed.——

(5.) Should take measures for and defray the cost of the education of the Guru.—

(6.) Should bring the mutt which was very much out of repair to a good state of repair.——

(7.) Should keep a true account and render a copy of it every year.

(8.) Should keep all the moveable articles & jewels

in his charge and supervision but should not dispose of them by sale, gift or otherwise.——

(9.) May appoint & dismiss the servants.

(10.) Within the 20 years either profit or loss was to be his and not that of the Guru but if the Guru contracts fresh debts the Guru himself was liable to them and not Shingabhatt.——

(11.) Before the expiry of the 20 years the Guru should not ask Shingabhatta to give back the properties & the management of the Mutt. But if he of his own accord should resign the management before the expiry of the 20 years, he should give over charge of all the properties in tact and of the Mutt in a good state of repair after clearing the debts.

6. The said Swami died on 6th April 1890. It appears that till then Shingabhatta managed the affairs of the Mutt. At the time of the Swami's death Shingabhatta was undergoing a sentence of imprisonment in the Shimoga Jail.——

7. On the 22nd April 1890 he wrote from the Jail a Razinama to the Amildar of Koppa to the following effect:——

I managed the affairs of the Mutt

Mutt but owing to my misfortune I am now in jail. My sons are young and there is nobody to carry on the services &c. in the Mutt. I have therefore on this day given up to the Sirkar all the properties mortgaged &c. to me. Hereafter I have no right in them. The moveable properties of the Mutt were in the possession of the Guru. He has now died. There are no other Hakdars. The Sirkar may appoint anybody they like in possession of those properties. From this day all the properties of the Mutt are of the Sirkar. I have no Hak over them. The Sirkar may give them over to anybody.

8 The above Razinama was evidently written before Shingabhatta was aware of the ordination of the present Guru. The disciples of the Mutt elected the present Guru and the ceremony of his ordination was performed on ~~2 2 2 2 2 2 2~~ on 21st April 92 and the fact was reported to Govt. vide Government Rec: No $\frac{2231}{48}$ 9 13-6-92. The expenses of the ceremony are stated to have been defrayed by the disciples from a Contribution raised by them.

Shingabhatta having as above stated sent the Razinama to the Amildar on the 21st April 92 the Mutt Shambhog Venkatramanaiah receives a letter on the 29th idem from

from Krishnabhatta Son of Shringabhatta recalling all the Mutt servants and ordering the Shanbhog not to spend a pie for the mutt - - - - - anymore.

10 The Amildar sent up the Razinama to this office and requested orders, but he was told that the acceptance of the Razinama by the Government in a matter in which there was a registered Karar between the Mutt and Shringabhatt and without any responsible person to render a proper account & deliver over charge of all the properties would lead to serious Complications.

11. Many of the moveable properties mentioned in the document are not now existing in the Mutt - vide Kararnama list in the record. It is stated that only the articles in daily use were left in the Mutt and that the others were kept by Shringabhatta himself in his house at Idutgode which is about 20 miles from Harihanpur. Shringabhatta however says that the moveable properties were left in charge of the late Guru, that on his death the disciples drove away the servants whom Shringabhatta had employed. But there is reason to believe that Shringabhatt's son recalled them.

12. Last year the Kandayam of the Mutt lands was levied by distress of the produce as Shringabhatta wrote from the

the jail in reply to notice that the Kandayam might be so levied. This year having come out of the jail, he has paid the Kandayam & taken the produce —

13 Shingabhatta has been paying nothing to the Mutt since his Rajyaparampara. The Guru has literally no means whatever. The disciples hitherto paid some contribution for the Navaratre & other expenses, but now there is only one parichaka and the Guru himself performs the pooja. There are no Mutt servants and Musicians now and all periodical ceremonies, such as car procession, &c. have been stopped and it is by the influence of the Talut Shirastadar and the Amildar that a Brahman cooks food for the Guru. The Mutt building is very much out of repair and portions of it will come down if not repaired soon. A sum of ~~Rs~~ 5,000/- would be necessary to repair the building which is a big one.

The disciples maintain that according to the terms of the document Shingabhatta should repair the building and render an account. The account books are stated to be in his charge. He has produced before the Amildar an abstract list shewing that up to the end.

of March 1890, a balance of ~~Rs~~ 6,699-6-11 is as due to him from the Mutt and that charging an interest of ~~Rs~~ 4,300-9-1 on the above amount, the Mutt itself should pay him ~~Rs~~ 11,000/-.

15 A notice was issued to Shingabhatta to appear before me at Harihara. But he did not appear, as he is engaged in conducting several Civil Suits filed by him in the Dodballi Munsiff Court, after his release from jail.

16 He has written to the Amildar that he would submit himself to any settlement that the Panchayat may make. He is anxious to get rid of his connection with the Mutt. The chief disciples are willing to a Panchayat being held.

17 Seeing the complicated nature of the dispute I consider that the appointment of a panchayat is the best course to be adopted and that the Amildar may, I think, be deputed to sit in the Panchayat.

18 I also beg to recommend that after the settlement of the dispute by panchayat the Mutt may be ordered to be taken under Government management for some years as the present

present Guru aged 17 years, is too young and inexperienced to manage the affairs. In the case of the Sivaganga Mutt the Government was recently pleased to place the management of that Mutt in the hands of the Amildar.

19 The Kanchanpur Mutt receives no paditara or ready money allowance from Government. It has Sarva Inam Devadaya lands assessed at ~~Rs~~ 229-8-0 (only the cess is payable to Government) and Sirkar lands assessed at ~~Rs~~ 157-12-0.

The Inam lands are:—

To the Mutt. ~~Rs~~	127-12-0
To the Aswatha tree on the bank of the river just in front of the Mutt.	6-12-0
To Narsinha Devaru in a stone temple in the Mutt.	26-4-0
To Lakshmana Devaru in the Mutt.	50-0-0
To Ambalika Bhandeswari about one mile from Kanchanpur.	12-8-0
To Linga Brahma on the left (on the road) of the Mutt	4-4-0
Total.	229-8-0

20 The Inam lands are gardens and wet lands. Some of the latter are lying waste. A fine paddy land at Kanchanpur yielding 160 ~~Rs~~ worth of paddy every year has become waste in consequence of its irrigation channel having been blocked up by the P. W. D. in constructing the new road from the bridge and I am told that unless an outlay of 200 ~~Rs~~ is

spent a new channel cannot be made.
2/ The Mutt has of course to pay the full assessment of the Sirkar lands.

22- Estimate annual income.

4 Car festival including feeding — 200—
5 Aradhanes and Santarpanes — 400—
Total ~~Rs~~ 2373—

23 Thus it will be seen that the income of the mutt is very small and that a small surplus of about ~~Rs~~ 200/- would be left, which is required for the ordinary repair of the mutt. Provision has also to be made for the turban of the Guru, by minimising the feeding and other charges as far as possible —

24 An application from the disciples of the mutt for the free grant of wood for the repair of the mutt, received with Chief Secretary's Official memo No 43 of 28th Septr 1891 for disposal is filed with the records. About 500 cart loads of wood would be required. As soon as the dispute is settled by Panchayet a formal application will be submitted to Government for the quantity of wood to be granted free. Such help from Government is necessary in the case of this poor mutt, which pays a large Kandayam to Government. The disciples will have to raise a special fund by subscription for the repair of the mutt and the help of the Public Works Department is necessary for preparing an estimate. —

25 The records in the case including the Registered document to Shinga. - Hatta are herewith submitted for further reference —

26 I solicit early orders of Govt. as the Guru is in a very pitiable helpless state —

Letter No. 10 Dated 28th May 1892 from the District Mysore Assistant Commissioner, Ka dur District, receive through the Dy Commissioner of the District reporting on the present unsatisfactory state of the Haribarpur Matt in the Koppa Taluk.

No 203 M1
Mysore 795-92 7/12/92
Confile

Order thereon No.
D Bangalore 7th Dec 92

In the letter read above the Mysore Assistant Commr proposes that a Punchayet should be appointed to settle all the disputes between the Priest of the Matt and his chief creditor and manager Singabhatt.

2. It does not seem to the Government to be advisable to refer the various questions raised in the case, some of which appear to be of very complicated

nature for the decision of female arbitrators, as it will lead to no satisfactory settlement or conclusion.

3 As regards the mortgage of the Inam lands, the solution of the question is at once feasible. The late Guru was incompetent to alienate the Inam lands belonging to the Matt and under Clause B of the Govt. Notification No 266 dated the 17th November 1877, the mortgage of the Inam lands is set aside. The Dy Commr will at once issue a notice to Shingabhatt to restore the Inam lands to the Matt within 6 months from the date of the service of the notice and on his failure to do so they should be summarily resumed and restored to the Matt.

4 The present Priest is an inexperienced youth. The Govt therefore deem it expedient to place the Inam lands, when restored ~~belonging~~ to the Matt, under the management of the Taluk Amildar who will carefully manage them and pay annually ~~to~~ out of the income thereof only such portion as may be considered absolutely necessary for the maintenance of the Guru and deposit the balance in the Govt Savings Bank to accumulate the same, till he is able to assume management and look after the Matt affairs himself.

5. If there be no dispute between the parties as to the actual amount of debt due by the Matt to Singabhatt, the Kandayem lands ~~also~~ may be whenever placed under

under the Civil Court's manage-
-ment with the consent of
both the parties and the net
income from the kandayam
lands after defraying the
expenses of management,
may be paid over to the
mortgagee until his debt
is liquidated. As regards
the settlement of all other
questions regarding which
the parties may be at
disagreement, they should
be left to seek redress
in a Civil Court.

Sir,

With reference to the Government Proceedings No. 205 Mmy. 95-92 dated 7th Feb 1892 regarding the affairs of the Haridar Matt, I have the honor to report as follows:—

1. A notice was issued to Singaleh to restore the Inam lands to the M within 6 months from the date of S of the notice under clause (b) of the Government Notification No. 266 dated 17th November 1877.

2. When the Mysore Asst Commissioner wanted to take a desired ~~directed~~ from Singalibatt, an under prisoner.

Coroner in the Nemmara murder Case,
a list of debts due to him from the
Mutt, became a Statement to the
effect that he was willing to hand
over the Inam as well as Kandayam
lands belonging to the Mutt alone
to the management of the Amildar
with this year's crop, on the condition
that he were left at liberty to have
his claims against the Mutt settled
either through the arbitration of the persons
he named or by a suit in a Civil
Court - As this offer was favorable
to the Mutt in as much as it would
leave a surplus sufficient for the
expenses of the Mutt for a year, orders
were issued to the Amildar of Koppa
to take up the management of all
lands belonging to the Mutt and
to keep regular accounts of income
and expenditure. -

may be approved.
GM

3. In pursuance of the order, the
Amildar has taken possession of all
lands belonging to the Mutt and is
collecting the crop and the rent due
from the ryots. - Rupees 100 = has
already

already been realised by the sale of 144 maunds of areca-nuts.

4. When I last went to Haribarpur on Jamabundy work, I was anxious to examine all the jewels but found that Singabhatt had the larger portion of them in his possession. The Auditor has been directed to take the first opportunity of examining them and to submit a correct inventory of all the jewels belonging to the Matt. The Singabhatta was not willing to hand over the unalienable property of the Matt without [illegible] but this will be settled.

A Sum of Rupees 1056/- has been sanctioned for the expenses of the Matt annually out of the net income from the lands exclusive of "Kanakkus" and other sources of income.

6. In the absence of regular and correct accounts and of the principal men named by Singabhatt, it was

was not possible to come to any settlement regarding the amount due to or from the Wakf. The aggrieved party may therefore be left to seek redress in a Civil Court.

7. At the request of the Trust and some of the disciples who promised a Contribution, arrangements have been made to get up an Estimate for the repairs of such portion of the Wakf building as are in a dilapidated Condition. On receipt of the Estimate Steps will be taken to ascertain what contribution can be expected from the disciples of the Wakf and what grant can be made from the funds of the Wakf.

I have the honor to be,

together with 2 statements one of

Inam

As directed in order No 44 of the ultimo, I beg to submit herewith Statements showing the Estimated income of both Inam and Sirkar lands belonging to Karikurpu Matt; from which it will be seen that under the present circumstances a total income of Rupees 2764 are Estimated as detailed below.

Sirkar lands. { Cash payments Rs 1200 / Value of Arrears. Rs 579 / Do. of Cadey Rs 600 }

Total Rs 2379

Inam lands. { Cash payments Rs. 100. / Value of Arrears Rs 285. }

Total Rs 385

Grand Total Rs. 2764

Of this sum Rs 1704-12-6 have to be paid to Govt on account of Govt Kandoyum & Local Cess on Inam lands — leaving a balance of Rs 1059-3-6 or Rs 1060 in round numbers.

But

Out of this sum Rs 1056 have
been sanctioned for the
ordinary daily ~~expenditure~~
maintenance of the Katt
as per details already
given in my Memorandum
which was sent with my
Report No 689 dated
19th January last.

2. I have already said
by public auction 144
maunds of arecanut for
Rupees 1008/ which has given
us Rs 144 more than the
above estimates. We
expect to get about Rs 500/
more by the collection
of Disaradane Kanikes &c.
If the Katt management
is carefully managed,
as I expect to do, we
can save a little more
money. All this savings
may be reserved towards
the settlement of Singabhatta's
dues - which he will have
to prove & establish before
he can claim any - as
he

he has given nothing to the Matt from some time past.

3. The Inam lands are Survanamyam so Jodi is recovered. Only Local Cess has to be paid on the Survey valuation as usual as detailed in the accompanying Statement.

4. The income of these Inam lands alone is too small & would hardly cover the daily expenses of the Matt. It is therefore solicited that we should go upon the total income of the Matt.

Submitted for orders.

Memo

The information called for in the margin of Para 3 of this draft order has been furnished by the Deputy Commissioner in his letter No. 154 dated 16th June 1893 which is herewith submitted.

2. With the above, the Deputy Commissioner submits 2 statements marked A and B shewing respectively the estimated income and the expenditure of the Matt. The former comes up to Rs 1060/- exclusive of the Kaniikes or small offerings by devotees which cannot be estimated owing to their fluctuating character. The expenditure of the Matt which has been fixed by the Deputy Commissioner after a careful consideration of all the circumstances amount to Rs 1056/- thus leaving little or nothing to be set apart towards the liquidation of the debts payable to Singabhatt.

3. Brit. Singabhatt has still the jewels and other moveable properties belonging to the Matt in his possession and declines to deliver them or to render an account of them. It is highly probable that their value is more than enough to cover his debts.

4. The draft originally prepared may therefore, I think, issue.

Order thereon No. 3rd July 1893 D/Bangalore ~~March 1893~~

The Deputy Commissioner's order issued to the Amildar of Koppa to take over the management of all lands belonging to the Matt and to keep regular accounts of their income and expenditure, is approved.

If Singabhatta is unwilling, as reported by the Deputy Commissioner to hand over the jewels and other movable properties in his possession belonging to the Mutt till his alleged claims against it were settled, he may be informed that it will be necessary for him in his own interests to have them at least valued at once by a Panchayet, ~~pending further proceedings that may be taken by him or Government on behalf of the Mutt, and that it would be also well for him~~ he should consent to a private arbitration ~~instead of having recourse to a Civil Suit.~~ If after this advice, ~~he is unwilling to abide by a private settlement, he may be~~

left to seek redress in a Civil Court.

3. Government accord sanction to the utilization of a sum of Rs 1056/- fixed for the expenses of the Matt annually out of the net income ~~from~~ the lands exclusive of "Kanikes" and other sources of income.
